

FALL
2022

Middle School

Under the Microscope

A series about science, faith
and the One who created
everything.

Week One

Genesis 1:1-25

Creation points to a Creator

Week Two

**Genesis 1:1, Genesis 1:26-27,
Genesis 1:31a**

Science and faith can work together to
show us more about God.

Week Three

**John 9:8-11, John 9:17-19,
John 9:24-25**

We can have questions and still follow
God.

MEMORY VERSE

“He was there before anything
was made, and all things
continue because of him.”
Colossians 1:17, NCV

Middle School

ENGAGE IN EVERYDAY MOMENTS TOGETHER

Morning Time

As your teen starts their day, tell them one thing you love about them.

Meal Time

At a meal this week, create a plan to put a nature walk on the family calendar. Decide where you want to go- a local park, a mountain trail, a botanical garden, etc. Notice the detail in God's creation and talk about your observations.

Drive Time

While on the go this week, ask: "What do you like most about where we live?"

Bed Time

Pray that both you and your teen will notice something wonderful God has created every single day.
